## **West Exmoor Federation – Attendance Policy**

### **Philosophy**

The West Exmoor Federation is committed to providing a full and efficient educational experience for all pupils. We believe that if pupils are to benefit from education, good attendance is crucial. As a federation of schools we do all that we can to ensure maximum attendance for all pupils. Any problems that prevent full attendance will be identified and addressed as speedily as possible.

It is the policy of each school within the federation to celebrate achievement. Attendance is a critical factor to a productive and successful school career. Our schools will actively promote and encourage 100 per cent attendance for all our pupils.

Within the West Exmoor Federation we will give a high priority to conveying to parents/carers and pupils the importance of regular and punctual attendance. We recognise that parents/carers have a vital role to play and that there is a need to establish strong home-school links and communication systems that can be utilised whenever there is concern about attendance.

If there are problems which affect a pupil's attendance we will investigate, identify and strive in partnership with parents/carers and pupils to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach aimed at returning the pupil to full attendance at all times.

### **Objectives**

- to encourage full attendance and punctuality
- to record and monitor attendance and absenteeism and apply appropriate strategies to minimise its occurrence
- to acknowledge and reward a successful record of attendance
- to ensure a consistent approach throughout the school/college

### **Statutory Duty of Schools**

The Education Act 1996 requires parents or guardians to ensure their children receive efficient, full-time education, either by regular attendance at school or otherwise. Schools are responsible for recording pupil attendance twice a day; once at the start of the morning session and once during the afternoon session. An entry must be made in the attendance register for all pupils of compulsory school age who are on the school's admission roll.

### **Principles**

Parents/carers are legally responsible for ensuring that a child of compulsory school age attends school regularly.

We will work towards ensuring that all pupils feel supported and valued. We will send a clear message that if a pupil is absent, she/he will be missed. We will consult with all members of the school community and the Education Welfare Service in developing and maintaining the whole school attendance policy.

We will encourage parents/carers to be actively involved in promoting their child's attendance. We will ensure that all staff are aware of the requirements of the registration process and that they receive training on Registration Regulations and the Law relating to attendance.

Regular information will be sent to parents/carers and pupils informing them of attendance rates and related issues. We will promote positive staff attitudes to pupils returning after absence. We will ensure regular evaluation of the attendance policy and its associated procedures.

### **Procedures**

The following procedures are followed by all staff:

- the register is taken at the beginning of the morning and afternoon session by class teacher or designated teaching assistant. The coding outlined in the front of the register is used in all cases, eg present marked in blue, absences in red;
- an absence indicated by a red circle is left empty until authorised. Class teachers, teaching assistants or the administrator may authorise absences on receipt of a telephone call or letter. A record of telephone calls and letters is to be kept for the duration of the academic year;
- in the event of a child's absence not being notified to the school by 9.30am the class teacher, teaching assistant or administrator will ring the home number to request information. If a suitable reason for absence is not given the absence will remain unauthorised;
- should a child be absent for two weeks, with no given reason for absence, the Educational Welfare Officer (EWO) will be informed;
- parents/carers of children having frequent unexplained absences, over a four week period, will be sent a letter inviting them to discuss the matter with the Executive Headteacher. If the unexplained absences continue for a further four weeks a letter will be sent outlining the number of absences and making it clear that, if this worrying pattern continues, the EWO will be informed. If the pattern continues into a third four week period the EWO will be informed. This will also apply to frequent/regular authorised absences;
- in the case of frequent lateness the same policy for regular absences will apply in excess of ten 'lates' in an eight week period. The register will be closed at 9.30am. Children who arrive after this time and who fail to give an adequate explanation will be marked as an unauthorised absence;
- we are not obliged to accept reasons for authorised absence if there is reason to doubt the validity of the explanation offered, eg, a parent/carer states that a child has been unwell and it is evident from discussion with the child that they have in fact been out for the day. Explanation such as minding the house, looking after the children, friends/family visiting, birthdays or shopping trips within school hours will not be acceptable reasons for absence;
- holiday absence will only be authorised at the discretion of the Executive Headteacher and for one period during the academic year (up to a maximum of 10 days). It can not be authorised retrospectively and must be requested by the completion of a Holiday Form (available from the school office) at least 10 working days before the planned leave. Authorisation will not be given for an additional period, even if less than 10 days were initially taken. Neither will occasional days or extended weekends be viewed as authorised holiday absence;
- each week a cup and certificate will be presented to the class with the best attendance;
- termly certificates and badges will be awarded to those children who have achieved 100% attendance. A special Governors Award will be given to any child who manages to achieve 100% attendance during a whole academic year;
- attendance targets will be set, in consultation with the EWO, on an annual basis. Progress towards these targets will be reviewed half-termly;
- regular review meetings will be held with the Education Welfare Officer to discuss the impact of our Attendance Policy and other issues related to attendance;
- the importance of regular and punctual attendance is high-lighted in our school prospect and home/school agreement. Individual attendance will be reported to parents/carers on an annual basis as part of the Annual Summary Report.

**Removal of Names from the Register**

The names of all children on the school roll should be included on the register. The names of pupils who have transferred to another school may be removed when the child has started at the new school. Where families have moved from the area, or if there is some doubt as to the whereabouts of a family, the matter should, after four weeks, be referred to the EWO who will make enquiries and advise if and when the name of the pupil can be removed. Families who take their children out of school for extended periods of time, eg, to accompany parents for work purposes outside of the UK, must be informed that the child will be removed from the school roll and will have to reapply for a place upon their return.
